

Laser Energetics' Dazer Laser™ Featured in Micro-Cap Review Magazine's "Made in USA" Issue.

MERCERVILLE, N.J., November 3, 2009 /PRNewswire - Laser Energetics, Inc. (Pink Sheets: [LNGT - News](#)) today reported that its new **Dazer Laser™ Light Fighting Technologies™** is featured in the 3rd Quarter 2009 Made in America issue of *Micro-Cap Review Magazine*.

Micro-Cap Review Magazine features high quality global emerging growth micro-cap companies and is published quarterly and distributed to more than 25,000 financial decision-makers, including over 8,000 FINRA members, High Net Worth individuals, Accredited Investors, Attorneys, CPA's , Wealth Managers, Private Equity Managers, Financial Advisors, and approximately 1,000 Public Company CEO's. The magazine additionally has distribution into Latin America, the Asian Pacific Rim, and Europe. *Micro-Cap Review Magazine's* 3rd Quarter publication focused on companies that build and design their products wholly within the United States of America.

Robert D. Battis, CEO and Founder of Laser Energetics stated, "We are pleased to be featured in the Made in America edition of *Micro-Cap Review Magazine*. We like the confluence of events shaping up here, and are finalizing some very large orders. The audience of *Micro-Cap Review* is a savvy and sophisticated group who will comprehend what this means for the future of our company. Laser Energetics is ready for its next stage of growth and will certainly be doing our part to grow jobs in the USA! We just recently announced our new Director of Sales position for our Dazer Laser™ product line. We will be making many more such announcements in the near future as we prepare Laser Energetics to be a very productive and very profitable company."

"I have stated this before", said Battis "but it bears repeating, Laser Energetics is working diligently to qualify itself to trade on a larger exchange and will therefore become fully reporting and much more transparent to our shareholder base as soon as we complete the listing requirements. I will give periodic updates about this in future Founders Messages located on our website at: <http://laserenergetics.com/foundersmessage.htm>" The full article for *Micro-Cap Review Magazine* is available at this link: <http://www.microcapreview.com/> Please click on the magazine icon featuring the U.S. made Viper Diamondback Motorcycle. Laser Energetics, Inc. is featured on pages 45, 46, and 47.
