

Laser Energetics To Present Dazer Laser™ at 94th Annual New Jersey State League of Municipalities

Mercerville, NJ – November 6, 2009 – Laser Energetics, Inc. (Pink Sheets: [LNGT - News](#)) is proud to be presenting at the 94th Annual New Jersey State League of Municipalities November 17-19, 2009 in Atlantic City, NJ. The New Jersey State League of Municipalities is a voluntary association created to help communities do a better job of self-government through pooling information, resources, and brain power. There are 566 municipalities which are members of the League, which includes over 560 mayors, and 13,000 elected and appointed officials. With over 21,000 delegates, participants and guests expected, the show is the largest municipal gathering in the country.

“We are very excited to be presenting at this prestigious conference.” said Robert D. Battis, CEO and Founder of Laser Energetics, Inc. “This is the largest event of its kind in the entire country and our Dazer Laser team will be there presenting and demonstrating our ‘Non-Lethal - Less Violent’ technology to all branches of law enforcement in NJ and to the people who write the law for law enforcement. Our attendance is part of our long term strategy to get the Dazer Laser™ - Light Fighting Technologies written into law in New Jersey, and then the rest of the country. New Jersey is one of the only states that bans the use of certain other supposed non-lethal weapons which have subsequently proven to have resulted in multiple deaths around the world. With our proven Dazer Laser™ - Light Fighting Technologies that can be operated “eye-safe” at all ranges, making for the Ultimate Non-Lethal – Less Violent™ weapons serving humanity, we expect to receive a positive response from the attending legislators.”
